The procurement manager's dilemma ...and what to do about it

Tips from the trenches to help you deal with the increasing complexity of public procurement
by David T. Swift

Developing a winning procurement card program

According to the author, purchasing or procurement cards are an innovative solution to the challenges of doing more with less and being accountable. Check out how to choose the right banking partner and card solution that may help you and your organization.
by Wendy Hall

Purchasing professional services – Part 2: beauty parades municipal matters

Exercising care mixed with some scepticism when interviewing prospective consulting firms is a good rule of thumb, because of course these professional firms will show themselves in the best possible light whether entirely accurate or not. Here's how to look a little deeper.
by Steve Bauld and Kevin McGuinness

opinions

Battling for transparency

legal notes
Access to Information legislation is having an effect on suppliers and the bid process
by Priscilla Platt and Paul Lalonde

Plain drafting is tricky business

checkpoint 1
Using plain language in drafting contract documents is not as easy as it sounds.
by Paul Emanuelli
